

St John's CE Primary School NEWSLETTER

July 2024

We've had a great few months of fundraising, here's some of the things that we've been up to:

Our quiz night back in June was very well attended and a lot of fun.

Last year's fundraising total from this event was smashed with a profit of

£769.45

The children drew a picture of themselves for our wonderful school tea towel.

We love these and they've made a great memento of this past school year.

These have raised **£582.57**

Did you join us at the summer fair?

We had loads of fun games, tombolas, food and drink with fantastic cheerleading and iRock performances too.

The summer fair raised **£4040**

Lots of families joined us to laugh and be amazed when Amigo's Magic came to the school for 2 performances.

These raised **£428.10**

- This year we have raised over £13,000 from our events.
- We have given various contributions to the school totalling over £6,000.
- The remaining £7,000 will go towards our playground project.

Thank you to everyone for your incredible generosity and support.

What else have we been up to?

We donated £1000 towards the year 5 and year 6 residential trips.
We supplied ice lollies for the children at sports day.

Playground upgrade update

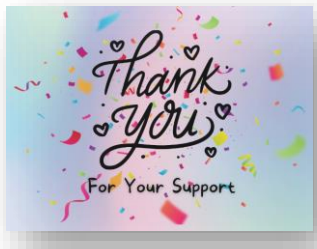

We plan to go ahead with the playground project and more information has been sent out separately regarding the plan. Our major fundraising campaign for this begins in September.

Events next year

Next year we would like to establish some small teams to take ownership of smaller events such as discos, movie nights and after-school sales. Please have a think about whether this is something that you could do maybe with a friend or two and let us know if you would like more information about what would be involved.

Easyfundraising

If you shop online, please support the PTA by using easyfundraising. Details on how to do this have been added to the PTA area on the school website.

Huge thanks to all the school staff and families who have helped with events and supported us this year.

We hope you have a fantastic summer.
