02/06/2025 – PTA Legoland trip.

03/06/2025 – Start of Term 6

GENERAL INFORMATION AND ATTACHMENT

We are delighted to be able to announce that we have set in motion the playground development, this should commence in the summer holidays. This exciting project has been made possible, earlier than expected as the school (i.e. Mrs Cooper!) was able to secure a substantial grant and this combined with the considerable monies raised by the PTA means that the development project should be completed in its entirety by the start of the new school year. However, this does not mean that we don't need to continue to raise funds as there always some unforeseen costs involved in any large-scale projects. **So please continue to support the PTA and your child's school! Break the rules day is coming up soon and the summer fair!**

There are some copies of the Primary Times outside the office, if you would like a copy, please pop in.

Please see some information regarding Minecraft from Mr Hodges.

Please remember that we are a nut-free school and unfortunately, while we appreciate that pasta pesto is a lovely, healthy lunch to enjoy, it does contain pine nuts and therefore should be enjoyed at home.

We are all proud of the way our Year 6's tackled their SAT's this week and hope they get the results they deserve!

Kind regards
