GENERAL INFORMATION AND ATTACHMENTS

There is a lot of general information and attachments this week, please read through as you may find that it is useful to you and your child/ren.

Please be reminded that we are a ‘nut-free’ zone, so please take care over your child’s lunch, ie pasta pesto, Nutella and peanut butter are not acceptable. We do have children with severe nut allergies in school with epi-pens and so we must maintain a strict ‘nut-free’ zone.

- ‘Me and My mind’ workshops for parents to help understand children’s mental health.
- **For Parents - Talking to your Child about Online Safety**

This is an area that a lot of parents struggle with yet it is the single most important aspect for any child of any age - continuing conversations with children to mitigate risk, including topics that can be very difficult to approach.

The NSPCC has some wonderful resources for parents including age-appropriate conversations and topics, top tips, quizzes and more.

You can find all the resources listed [HERE](#).

- Please see attached a flyer from Crowborough Rugby Club who are hosting a free girl’s rugby activity day.
- Please see attached a flyer from one of our lovely parents who is starting a singing group.
- And finally, several members of staff have signed up to attempt a 5K inflatable obstacle course in October to raise some funds for our wellness garden on the new playground. (Mrs Young is still wondering how she got talked into this!!) If you are able to spare anything at all, we would all be so grateful.

Kind regards
