GENERAL INFORMATION AND ATTACHMENTS

The children will be bringing home the school photo proofs of the recent individual photo shoot, if you order before the 5th November the photos will be delivered to school with no cost.

The Year 6's will be selling our recently acquired Poppies after school today and in the morning and after school tomorrow, weather permitting. This will continue on our return from the half term holiday.

Please see attached some information re Fortnite.

Surprisingly (not) the lost property is once again overflowing and we have only been back at school 7 weeks!! I will put a table out tomorrow, please feel free to take a look. Can I please remind you to name all of your child's clothes – even if it is just biro on the label, these labelled items will make it back to you, eventually.

The Rotary club of Crowborough are holding a quiz night on the **14th November**, with all profits raised going to Hospice in the Weald.

St John's church are hosting a wine tasting evening run by Alteus Wines on the **5th December** to raise funds to improve the Church Drive. Tickets are selling fast and as we all use the drive if you are able to attend it would be really great to see some representation from our St John's parents.

And finally, to round off the half-term with a smile, I have attached a short video of our recent 5k inflatable fun. You will be pleased to know we all completed it with no injuries and had a great time!! It's not too late to donate using the QR code or donations to the office!!

Wishing you all a restful and happy half term!

Kind regards
