28/01/26 – Class 4 Brighton Museum trip.

30/01/26 – Class 6 Bikeability.

GENERAL INFORMATION AND ATTACHMENTS

The staff would like to give a massive **thank-you** to the dad's (you know who you are) who gave up their valuable weekend to give the school staff room a much need facelift. We are so grateful to you all and are now thoroughly enjoying our lunch breaks.

On the topic of updating the school.....I am pleased to be able to tell you that we have had several companies visit us over the last few weeks and are eagerly awaiting their quotes regarding our perimeter fencing. Once we have received these quotes; we will keep you informed of any future changes to the site.

Please see attached information from East Sussex County Council with regard to children learning to ride a bike.

Finally, please can I remind you that we are a '**nut free**' zone and there has been dry roasted peanuts eaten in the school hall today, these have also been found in the toilets and corridor areas. We cannot stress the importance of this as we do have children with severe nut allergies who have epi-pens in school and would appreciate your co-operation in this matter.

Kind regards
